आज़ादी का अमृत महोत्सव

December 5, 2022

Dear Chief Secretary,

This is regarding review on the progress of various states on AgriStack Project which would be held in the Chief Secretary's Conference scheduled on January 6, 2023.

In this regard, your kind attention is invited to this Ministry's letter dated June 22, 2022 wherein it was requested to constitute an AgriStack Steering Committee chaired by the Chief Secretary and an Implementation Committee, chaired by the Secretary Agriculture of the State. While most of the states have constituted these committees, some states have not held even a single meeting of the Steering Committee as per information with this Ministry. It is extremely important that the meeting of the Steering Committee and the Implementation Committee are held and progress reviewed, on a regular basis. Vide this Ministry's letter No. Z-110221/1/2022-Digital Agriculture dated 29.12.2022, it has also been requested that the Ministry's representative be invited to the meetings of the Steering Committee.

I would request you to kindly have another meeting of the Steering Committee at the earliest, inviting Ministry's officers as well. This Steering Committee meeting would not only throw light on the progress made by the state, but also on what all is intended to be done under the AgriStack project for speedier implementation of the project.

I would request you to kindly hold the meeting at the earliest convenient date, and share proceedings of the said meeting and also of past meetings of the Steering Committee to the Department of Agriculture & Farmers' Welfare, Government of India.

Anticipating your kind support in the matter.

With regards,

Yours sincerely,

(Manoj Ahuja)
